

Report on Giving 2021-2022

Thank you to our Donors

It has been our pleasure to serve our community as a trusted healthcare provider for over 125 years. Our friends and neighbors have relied on us to provide compassionate care and medical expertise as they navigate their way through difficult moments and times of celebration and joy.

The LG Health Foundation raises funds to support the work of our colleagues across LG Health. Thanks to generous community donors, we have helped fund innovative new treatments, support patients in need, strengthen the level of care, and improve the patient experience to raise the collective bar for healthcare services in the Lancaster region. We are humbled by the support we received from our community in the 2022 fiscal year. Together, we raised over \$5 million to help advance our mission and support vital programs, positions, and resources that help us provide the best possible care for our patients.

All gifts to the LG Health Foundation stay local, and 100% of donations made go to the funding area intended by the donor. This means we can significantly impact funding cancer research, expanding pediatric care, increasing behavioral health services, providing more access to women's health services, and offering exceptional health education at the PA College of Health Sciences.

This report recognizes those who make our work at Lancaster General Health possible. We are deeply thankful for the commitment and generosity of the individuals, organizations, corporations, and foundations that made gifts to the LG Health Foundation in fiscal year 2022.

With Gratitude,

Jennifer L. Groff
Vice President, LG Health Foundation

Lancaster General Health Foundation Board of Trustees

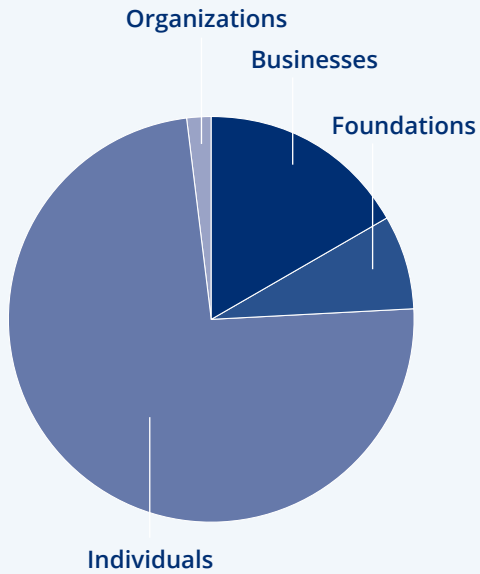

September 2021 – September 2022

Nancy S. Arnold	John J. Herman

OTHER LG HEALTH
INITIATIVES

Thank you to our 2022 Corporate Philanthropy Partners

In 2022, the LG Health Foundation launched the Corporate Philanthropy Partnership Program that provided companies with the opportunity to invest in advancing the health care of our community. These philanthropic investments play a critical role in helping to advance the strategic priorities of Lancaster General Health and have helped create and support patient assistance funds, make new facilities possible, acquire advanced technology and develop innovative care models to support our most vulnerable patients
